

Webloq AI – Privacy Policy

This Privacy Policy explains how Webloq AI (“Webloq AI”, “we”, “us”, or “our”) collects, uses, stores, protects, and discloses information when you visit our website, use our services, or interact with our AI-powered products. By accessing or using our services, you agree to the practices described in this Privacy Policy.

1. Information We Collect

We may collect personal and non-personal information including but not limited to: name, email address, phone number, business name, business address, industry type, website data, form submissions, IP address, device information, browser type, operating system, referral URLs, and usage analytics. We may also collect content you submit, such as text, images, branding assets, or prompts used to generate websites or AI outputs.

2. How We Collect Information

Information is collected when you voluntarily submit forms, contact us, request a demo, use our platform, interact with AI tools, or browse our website. Certain technical data is collected automatically through cookies, analytics tools, server logs, and similar technologies.

3. Use of Information

We use collected information to provide, operate, and improve our services; generate AI-powered websites; customize user experiences; communicate with you; provide customer support; process inquiries; analyze usage trends; improve security; comply with legal obligations; and market our services where permitted by law.

4. AI and Data Processing

Webloq AI uses artificial intelligence systems to generate content, designs, layouts, and recommendations. User-provided data may be processed by AI models solely for the purpose of delivering requested services. We do not use your private business data to train public AI models without consent.

5. Cookies and Tracking Technologies

We use cookies, pixels, and similar technologies to enhance functionality, analyze performance, and improve user experience. You may disable cookies in your browser settings; however, some features may not function properly.

6. Data Sharing and Disclosure

We do not sell personal data. Information may be shared with trusted third-party service providers who assist in hosting, analytics, payment processing, communication, or legal compliance. Data may also be disclosed if required by law or to protect our rights, users, or public safety.

7. Data Retention

We retain personal data only for as long as necessary to fulfill service purposes, legal requirements, dispute resolution, and enforcement of agreements. Data may be anonymized or deleted upon request, subject to legal obligations.

8. Data Security

We implement reasonable technical, administrative, and organizational security measures to protect information against unauthorized access, alteration, disclosure, or destruction. However, no system is 100% secure, and we cannot guarantee absolute security.

9. User Rights

Depending on your jurisdiction, you may have rights to access, correct, delete, restrict, or object to processing of your personal data. You may also withdraw consent where applicable by contacting us.

10. Third-Party Links

Our website may contain links to third-party websites. We are not responsible for the privacy practices or content of external sites and encourage you to review their policies.

11. Children's Privacy

Webloq AI does not knowingly collect personal information from individuals under the age of 18. If such data is identified, it will be deleted promptly.

12. International Data Transfers

Your information may be processed or stored in locations outside your country. By using our services, you consent to such transfers in accordance with this Privacy Policy.

13. Policy Updates

We reserve the right to modify this Privacy Policy at any time. Updates will be effective upon posting on our website. Continued use of services constitutes acceptance of changes.

14. Contact Information

If you have questions or concerns about this Privacy Policy or our data practices, please contact Webloq AI through our official communication channels.
